

Nguyễn Thế Kiên

1.5 years of experience

Dob: 07/07/2001
Gender: Male
Phone: 0352626013
Email: kienntpk01531@gmail.com
Address: Buon Ma Thuot - DakLak

FRONT END DEVELOPER

FE Javascript Developer

EDUCATION

Graduated from FPT Polytechnic College

INTRODUCE

My name is Nguyen The Kien . With unremitting efforts during 1.5 years in the industry, I am confident with Front End skills (Reactjs - Nextjs). I always put "system optimization" and "clean code" first when working on any project. I always learn new knowledge and ways to make my code as optimal as possible, so I'm always confident that I am can do any assigned project. In the next 1.5 years, my goal is to become a Technical Architect and I look forward to putting my skills and expertise to use in your product and organization .

KNOWLEDGES AND SKILLS

Frontend :

- Programming language: HTML, CSS, Javascript - Typescript
